ESC 2021 A60

AP.MARINE'S SIGNATURE DRIVE SYSTEM

The ECS2021 is our cutting-edge, belt driven system, integrating the best of our innovations into a single solution. With its high reliability, quiet operation, and flexible configurations, this drive system is the ultimate choice for both internal and external sliding door applications. An optional car deck module enhances its capabilities, offering features such as night locking, sea mode/harbor mode, and various pinch protection methods.

TECHNICAL DATA:
